RESPONSIBILITY

Layer de la Haye C of E Primary School Newsletter 9 December 2011

Remember the
Times Tables Challenge!

The school continues to seek a parent to join our governing body. If you are interested, please drop into the school office for more information

Net income from Christmas fundraising activities is expected to be £900. This is after deductions for the School Disco next week and presents for the Children from Father Christmas. Income is £500 more than last year, a great achievement given the current environment. Well done FOLS and a big thanks to all of the parents and children who attended the Bazaar last Friday.

We had a **DELICIOUS** Christmas Dinner on Tuesday—a record 206 meals were served! Thanks once again to the kitchen staff for their sterling work

FAIRNESS

COMPASSION

SNOW CLOSURE PROCEDURE

Lets hope we have an easier winter than the past two but just in case....

If weather conditions make it uncertain as to whether the school is open or not, you will receive a text to let you know either way. Also, listen to BBC Essex (95.3 and 103.5FM) or check the BBC Website where information regarding closures will be updated live.

IT IS VITAL THAT THE SCHOOL OFFICE HAS YOUR LATEST MOBILE PHONE NUMBER!

Our external storage has finally been erected! We are looking forward to getting all the PE equipment, tables etc into it so that we have more space in the school for teaching groups. The old music room is next on our list for refurbishment.

Children, parents and grandparents have been thoroughly entertained this week with our two nativity performances: Reception's Wiggly Christmas and Key Stage 1's Not Such a Silent Night. There is no better way to remember the Christmas Story!

USED COSTUMES

Now that we have more space in the loft we are intending to store used costumes so that in future parents can have the option either to make their own or—for a small charge—hire one from the school.

After your child has finished with their costume we would be very grateful to receive these—provided they are no longer needed!

Please bring in any unwanted costumes into the school at any time that is convenient.

COURAGE

WISDOM

This week children in years 4, 5 and 6 answered some questions about school dinners. In response to the answers from the new year:

- Year 5 and 6 children will be provided with a larger cup for their drink
- More potatoes/chips and vegetables will be made available to those who have eaten up everything on their plate

SCHOOL DISCOS—TO BE HELD IN THE SCHOOL HALL WEDNESDAY 14TH YEARS 3 AND 4 FROM 3.30 - 5PM (BRING YOUR CLOTHES TO CHANGE INTO)

YEARS 5 AND 6 FROM 5.15—6.30PM

INTEGRITY

HOPE
